

# POLICE WEEK MICHIGAN

Citizens, Leaders, Businesses supporting Michigan Law Enforcement

Law Enforcement need the visible, audible, and emotional support of citizens now more than ever. We believe the majority of Michigan citizens value Law Enforcement. They simply don't know what to do to demonstrate support, or they do not know how to do it.

Launched in 2019, *Police Week Michigan* exists to be a conduit of support among Officers and their citizens. Through this project, we provide a gathering place for resources, ideas, and events, and serve as a source of inspiration. We are non-partisan, focused locally, and statewide.

*Police Week Michigan* is focused on the annual "Police Week", initiated by President John F. Kennedy in 1962, but most importantly we seek to build support for Michigan's Law Enforcement year round.
